

SEEDING OBJECTIVES, PROCESS & GUIDELINES

INDOOR AND OUTDOOR JUNIOR NATIONAL CHAMPIONSHIPS

SINGLES

Objective:

The sole objective of the Seeding Committee is to insure a balanced draw so that two or more of the best players do not meet in the early rounds. The Seeding Committee's are lead by the Director of High Performance and consist of the following members:

U12/U14	Director-High Performance, U12 Program Leader U14 Program Leader in consultation with National staff Manager-National Events
U16/U18 Girls	Director-High Performance Fed Cup Captain & Head Women's National Coach Manager-National Events
U16/U18 Boys	Director-High Performance Montreal NTC Head National Boys Coach Manager-National Events

Process:

The guidelines outlined below will be "considered" by the Seeding Committee when making its decisions.

The process will be as follows:

- Players initially sorted into a group or "bucket" starting with the first guideline (significant international rankings/results)
 - The Committee "may" consider sorting/seeding this group of players, based on this alone, or using the remaining components of guidelines in their published order (significant national results, Rogers rankings/Provincial Order of Merit, Head to Head results) if required

- Players sorted into a group or “bucket” based on the second guideline (significant national results)
 - the Committee “may” consider sorting and seeding these players using this alone, or using the remaining elements of the guidelines in their published order (Rogers rankings/Provincial Order of Merit, Head to Head results) if required

- Players sorted into a group or “bucket” based on the third guideline (Rogers ranking/Provincial Order of Merit)
 - the Committee “may” consider using this alone, or using the remaining elements of the guidelines (Head to Head results)

- Finally, the Committee “may” consider sorting and seeding the remaining players based on the last element of the guideline (Head to Head results) if required

Note: ITF and Rogers rankings will be used as of the date the Proposed Seeds are distributed to the Provincial Tennis Associations for feedback.

Proposed seeds will be distributed to the Provincial Tennis Associations to allow the opportunity to provide the Committee any additional relevant information, or direct feedback with a specific rationale.

Final decisions will be made by the Seeding Committee.

*Every seed position except the first and second is determined by lot using the following procedure:

Seed 1 on top of draw, Seed 2 on the bottom of the draw; seeds 3 and 4 will be drawn as a pair with the first drawn placed in the top half and the second drawn in the bottom half, seeds 5, 6, 7, 8 will be drawn together and placed according to the rules, and seeds 9 and 10 drawn together and placed according to the rules.

Thus the final seeds, will be “publicly” communicated as follows (the Committee will maintain a detailed order (1-10) to handle late replacements).

- 1
- 2
- 3T
- 3T
- 5T
- 5T
- 5T
- 5T
- 9T
- 9T

In the U12 and U14 age divisions there will be 16 seeds. The process will be similar to the above with the addition of seeds 9, 10, 11, 12 drawn randomly, and seeds 13, 14, 15, 16 drawn randomly. All the 9-12 seeds will be listed on the draw as 9T, and all the 13-16 seeds listed as 13T.
