

2018 ROGERS COMMUNITY TEAM TENNIS SPECIALISTS

Below is a list of specialists who have experience with facilitating and running Team Tennis programs. If your club or community is looking to start a new program please reach out to your closest representative and they will provide you with the necessary information about how to start your own program. Funding may be available for start up programs.

If you are already running a similar program in your community you may be eligible for support from Tennis Canada. Please reach out to Rachel Gould or Natan Levi for more information.
